## WHAT & WHEN

Wednesday July 8 - Friday July 17, 2026

Our team is comprised of people from several churches from several different states. We come together with one purpose and passion – to see Jesus lifted up in the land of Nicaragua through service, outreach, compassion, and construction. Our trip begins with a couple days of orientation and training in Nicaragua and then progresses to hands on outreach and ministry. Each participant chooses one area of service and outreach to be primarily involved in for the trip. The choices include children's ministry, medical teams, construction teams, and Bible distribution.
