PLANNING MEETINGS

Once a month starting in March. Planning meetings will rotate to each of the churches involved and a light meal will be provided as we learn the details of the trip.

Planning involves working on devotions, meals, tool and supply needs and travel logistics. We encourage each missionary to attend and participate in the planning process. It allows us to learn about each other and plan together, ensuring the trip is tailored to and created just for us!

SCOPE OF SERVING

Manual labor, such as:

- home repair
- yard work
- painting
- building handicapped ramps
- whatever the Lord requires!

Mission Trips are sponsored by Cornerstone Chapel. If you have any questions contact Outreach Director, Heather Maimone at thestone@cornerstonechapel.org

WHAT & WHEN

Sunday June 22 - Friday June 27, 2025

Three local Medina Churches will be joining together to serve a regional community in need. Work is usually home repair, yard work, painting, building handicap ramps or whatever else the Lord requires of us! Often we end up matching projects with the abilities and skills of our team as we work with the mission organization we partner with. There will plenty to do to help regardless of your skills and training will be provided onsite so no experience needed. Just a heart for community and a willingness to serve others are required.

WHO

Junior high and up combined youth and adult trip. Families welcome too!

COST

Typically \$200 - \$300

ACCOMODATIONS

Group will stay in a local church, so bedding is needed and air mattresses are suggested. The kitchen crew will provide great meals and is an opportunity to serve for those who may prefer to cook instead of working on a job site. You will be provided with a suggested packing list to assist in preparing for the trip. Showers are sometimes available in the church we will be staying at but if not, we partner with a local YMCA to ensure teams will be able to shower after a days worth of work for the Lord. Our teams enjoy evenings relaxing in fellowship and devotions growing in relationship with each other. We have short evening activities and take a half day mid week break to do something fun in the community we serve.

BACKGROUND CHECK

In accordance with Cornerstone Chapel's regulations (adults need background check).
