

Thailand Church Updates

Prayer Requests

1. Surrendering this season of life to God, may His will be fulfilled completely in our lives.
2. May the light of God come down and reveal His glory over Thailand.
3. May the Holy Spirit move powerfully in Thailand, just like in the Book of Acts.
4. Proclaiming and welcoming the Year of the Lord's Favor to release His blessings and revival over this land.
5. Provision for the construction of the new church in Chiang Mai, especially the purchase of the land.
6. God's provision for purchasing a permanent building for Cornerstone Chapel Hadyai, including the down payment so that rent can be paid in installments.
7. Financial provision for evangelism and ministry outreach for both churches.
8. God's blessing over the economy and financial breakthrough for church members.
9. On a personal note, please pray for our youngest daughter, Joyce. She has just finished her Master Degree in Media and Communications. Please pray that she will find a good job that will bring out the best in her. And also pray for a good, godly husband for her.

Thank you - Simon and Elizabeth Lee
